

O&M PROCEDURES REFERENCE GUIDE

West Texas Gas, Inc. is mandated by the Texas Railroad Commission to ensure that all contractors working for WTG are adhering to all of our Gas Operations and Maintenance Procedures when performing a job for WTG.

In order to comply with the Railroad Commissions mandate, West Texas Gas, Inc. has put together a reference guide. This guide is composed of all Operations and Maintenance Procedures that pertain to you, The Contractor, during the construction of WTG's Facilities.

West Texas Gas Inc., asks that all contractors working for WTG be diligent in following all WTG Gas Operations and Maintenance Procedures when constructing facilities for West Texas Gas.

Thank you,

West Texas Gas
