All amounts due hereunder shall be payable at WTG's local billing office or at such additional place as may be designated on Customer's monthly statement and on or before the date set forth on Customer's monthly statement.
- 3. Customer agrees to furnish and secure for WTG, at Customer's expense, all necessary rights of way for the performance of this Agreement. If a customer's bill becomes past due on more than one occasion in a consecutive twelve (12) month period, or if service is disconnected for nonpayment, or where service has been involved in meter tampering or bypassing, Customer may be required to make a deposit or provide a satisfactory written guarantee. If the requested deposit is not paid, service may be disconnected following written notice that the deposit is due. If required, a deposit will not exceed one-sixth (1/6th) of Customer's estimated annual billings. If actual use is at least twice the amount of the estimated billings, a new deposit requirement may be calculated by WTG. Customer shall supply the additional deposit within two (2) days of notice of its requirement. Interest shall be paid by WTG on any deposits according to the rate established by law. If Customer has paid bills for service for twelve (12) consecutive bills without having service disconnected for nonpayment, and without having more than two occasions in which a bill was delinquent and if Customer is not delinquent in the payment of the current bill, Customer will receive a refund of the deposit and accrued interest. WTG will refund the deposit and accrued interest by first applying these amounts to any balance remaining on the Customer's account, and then the remainder may be sent to the Customer in the form of a check, or at the Customer's request, remain on the account as a credit towards subsequent billings. When Customer's account is closed, the deposit and accrued interest will be applied to the final amount due and Customer will be refunded any excess amounts.
- 5. WTG may terminate Customer's service after appropriate notice has been given for the following reasons:

 (a) Failure of Customer to pay gas bill when due.
 (b) Failure of Customer to make a payment required by a deferred payment agreement.
 (c) Failure of Customer to provide a deposit or guarantee as required.
 (d) Failure to pay a past due bill on an account guaranteed by or in the name of Customer.
 (e) Attempt by Customer to defraud WTG (f) other reasons as allowed by OAC 165:45 and 16 TAC §§ 7.45.

WTG shall in no event be liable for any loss or damage caused by leakage of gas after same has passed into the Customer's service. Further, subject to the terms of paragraph two (2) above, Customer will be responsible for payment of all gas passing through WTG's meter or meters, even if said gas passes through the meter as a result of a leak. WTG reserves the right, without assuming any responsibility for inspection, repair or otherwise, to refuse or discontinue service to any equipment which WTG considers dangerous to life, property, or service.
- Customer agrees to indemnify and hold WTG blameless from all claims, judgments, fines, penalties, and costs, including attorney's
